toolbar

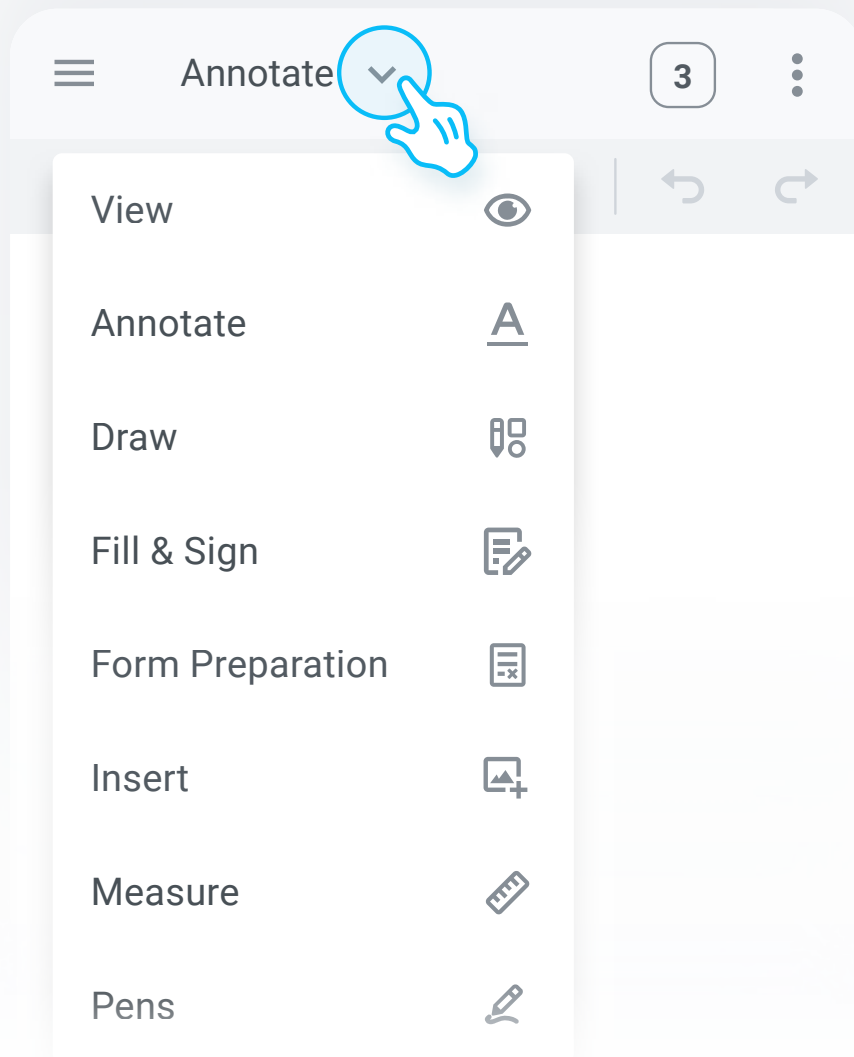

Sync with
cloud storage

Tap feature to learn more

First things first

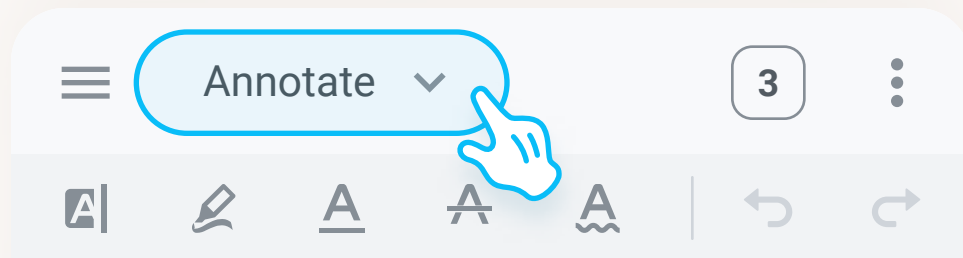

Choose a **toolbar** that fits your use case

💡 If you tap the document, you can bring up or hide the toolbar.

Annotate

Select **Annotate** from the **Toolbar Switcher**

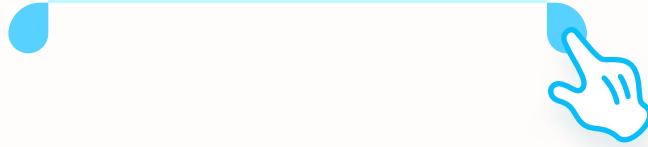

and tap one of the Annotation Tools on the **toolbar**

Swipe to find more tools

To **Highlight**, **Underline**, or **Strikeout** text, simply
Press and Hold on any text

Lorem ipsum **Press and Hold**, *consectetur*

Highlight

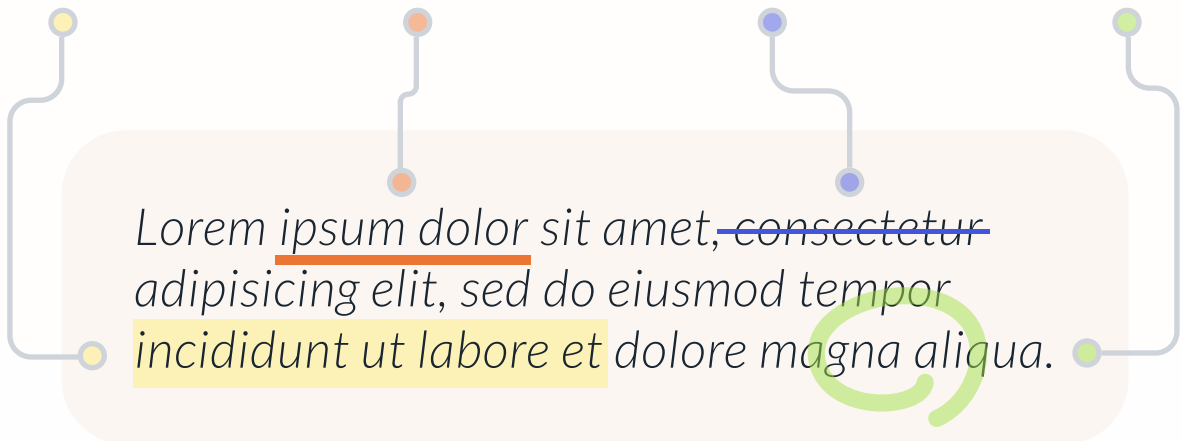

Underline

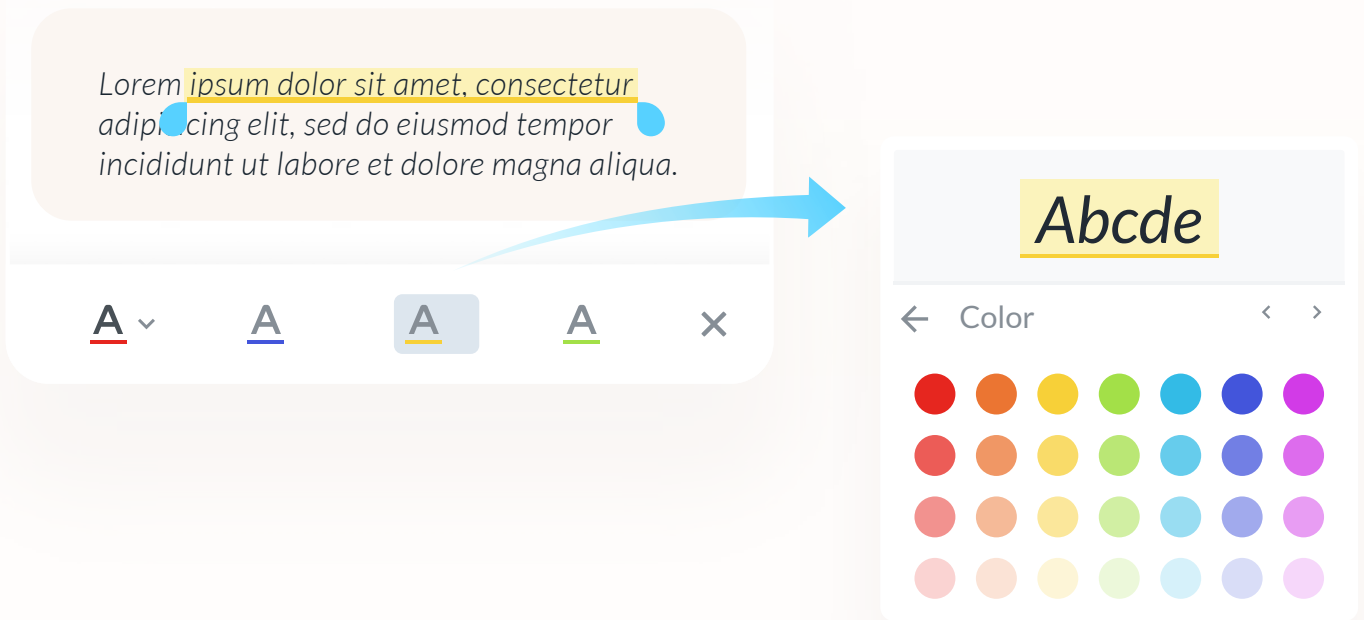

Strikeout

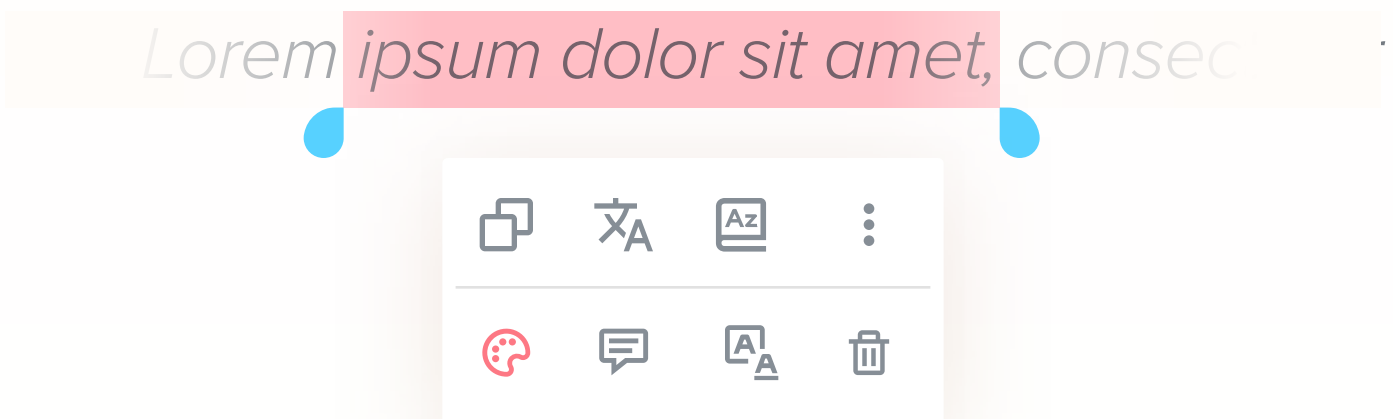

Free Highlight

You can choose and customize annotation **presets** on the menu

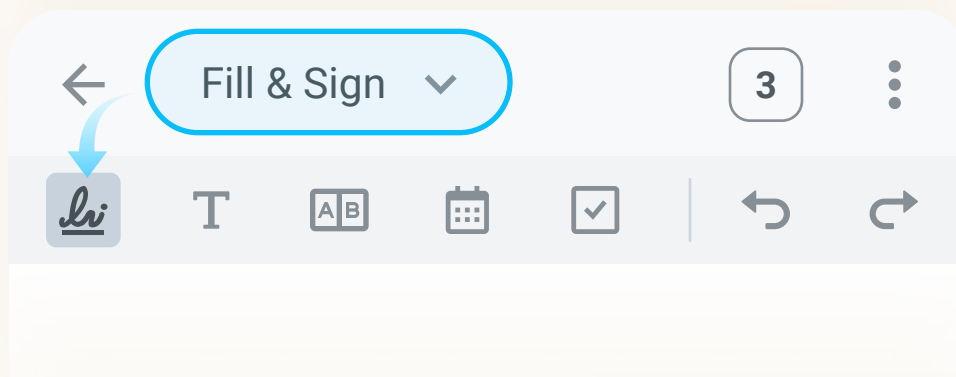

To edit an existing annotation, **tap** the annotation and a popup menu will appear.

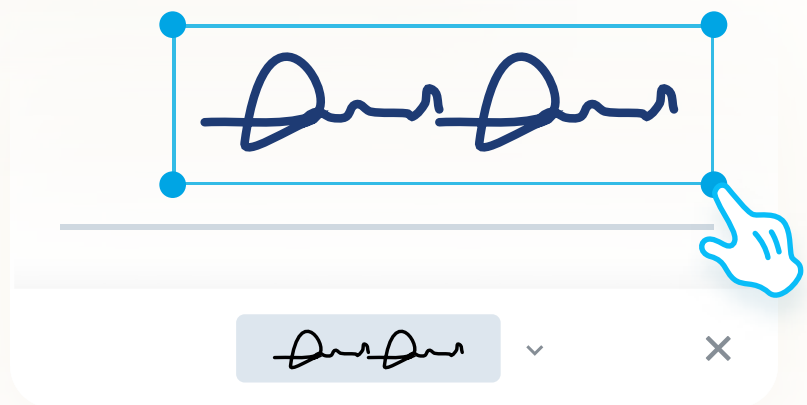

Add Signature

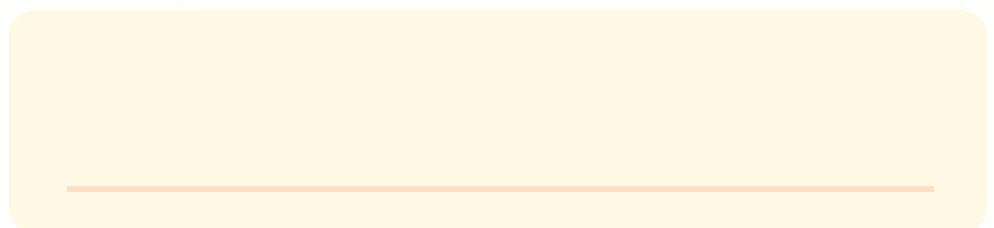

Select **Fill & Sign** from the **Toolbar Switcher** and tap 

tap to **create** and **save** your signature.

Try it!

Fill in Forms

Xodo makes it easy to **fill in Forms**. Try filling in the form below!

Text field

Select option

Option A

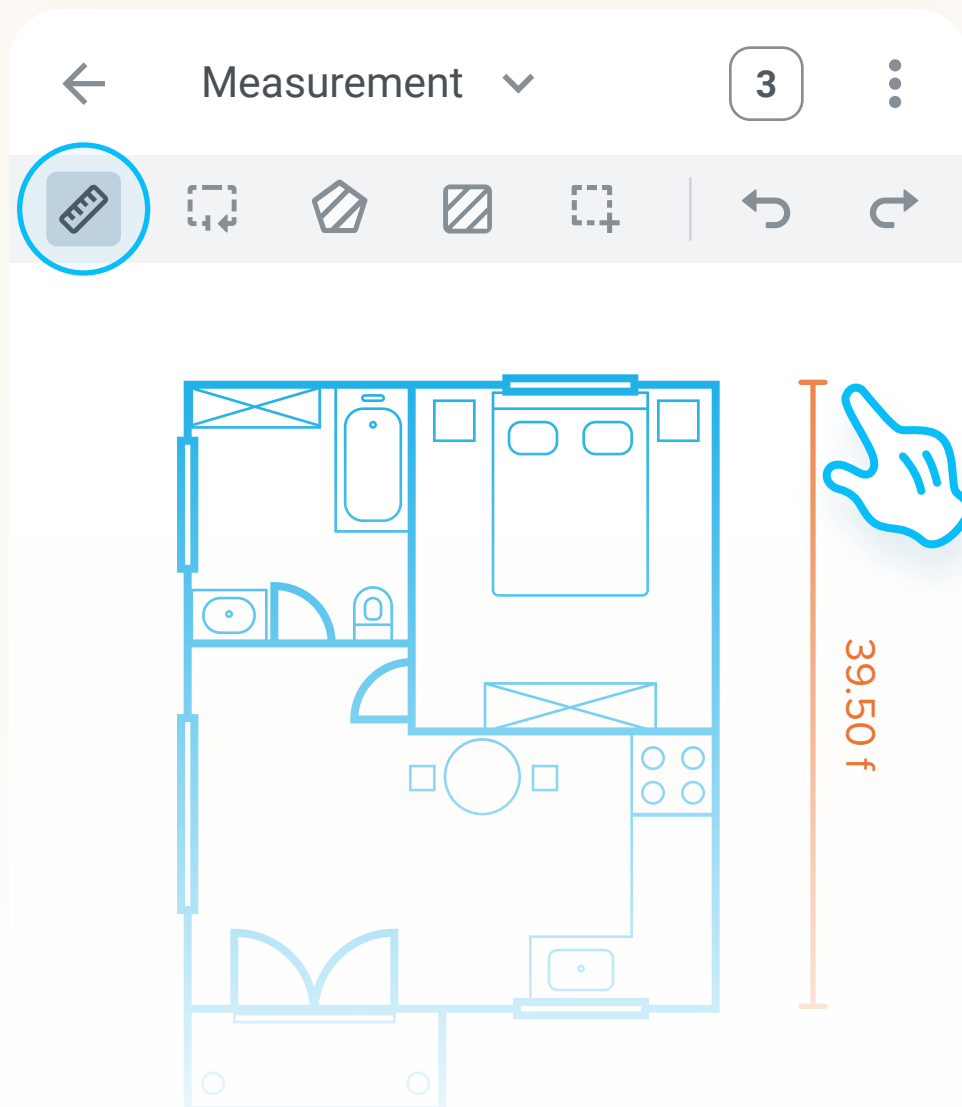

☐

Option B

☐

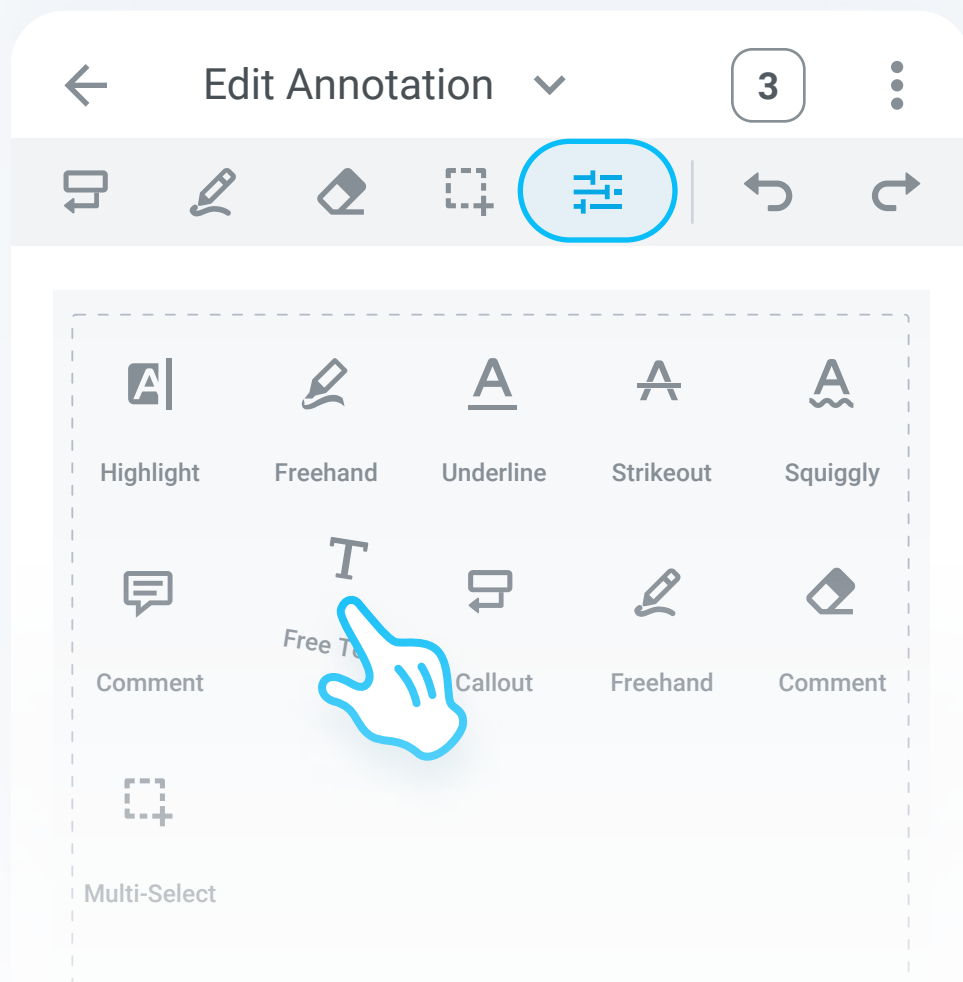

Measure

Useful for **measuring distances** of objects in a CAD drawing, or showing areas of documents before printing

Customize Toolbar

Customize your toolset depending on your workflow

Hold and drag tools here

Automatically synchronize with the cloud

Xodo uploads only the changes you made to the document for **fast** and **easy** synchronization
